

International Conference on Green & Sustainable Chemistry

June 1–5, 2025 – Budapest, Hungary

Plenary Speakers

Katalin Barta Weissert
University of Graz, AT

Masahiko Matsukata
Waseda University, JP

Walter Leitner
Max Planck Institute, DE

Luigi Vaccaro
University of Perugia, IT

King Kuok (Mimi) Hii
Imperial College, UK

Keynote Speakers

György Székely
KAUST, SA

Timo Repo
University of Helsinki, FI

Kei Saito
Kyoto University, JP

Daniel Tsang
HKUST, HKG

Francesco Mutti
University of Amsterdam, NL

Topics

- Fundamentals of Green and Sustainable Chemistry
- Green Solvents
- Utilization of Renewable Resources
- Cleaner Synthesis and Production
- Homogeneous Catalysis
- Heterogeneous Catalysis
- Biocatalysis
- Green Engineering
- Sustainable Products and Production
- Waste Valorization
- Green Energy

Registration Fees

- Full participant: 750 (early) / 850 (regular) EUR
- Student: 400 (early) / 450 (regular) EUR
- Accompanying person: 300 (early) / 350 (regular) EUR

Venue

Eötvös Loránd University

Important Dates

- Abstract submission: February 28, 2025.
- Notification of acceptance: March 15, 2025.
- Preliminary Program: March 31, 2025.
- Early registration payment: April 15, 2025.
- Final Program: April 30, 2025.
